This young bull has all of the makings of a herd bull, both in pedigree and conformation. He carries his thickness uniformly from front to rear, has a thick heavily muscled hindquarter, and walks on sound feet and legs. Breed character is well-exhibited from his strong pedigree, both on dam's and sire's side. Chieftain was Champion at this year's strong Spokane Interstate Fair. All of our replacement heifers are bred to this bull. Look him over carefully on show and sale day! Weight on December 28, after running with young heifers since September 20, was 1548lb.

The first calves sired by Burnton Horatio included the Grand Champion heifer of the P.I. and the Champion bull of the Inland Empire Shorthorn Sale. His second calf crop was even more outstanding and this young bull was our choice from that crop. At the Spokane Interstate Fair he was the Junior Champion in strong competition. He is not highly fitted, but ready to go out and do a job for you. Weight on December 28, was 1330 lbs.
